Garnishee the information called for

21) The Municipal Engineer has prepared an estimate for Rs 65 000/- for the Construction of a Reservoir at Davangere. The municipal Council has approved of this estimate as the Resolution dated 23.8.50 proposing the cost to be met equally between the Govt and the Municipality. It is suggested that the selection of the site may be made by the Government

275
1-12-50

22) The Estimate requires to be got Scrutinised by the Chief Engineer as the first enclosure. Further it has also to be considered whether in the present financial position of the Bangalore-City Municipality etc is worthwhile, embarking on this costly luxury. The Financial Secretary has been Repeatedly observing that no funds for such purposes is possible and it is therefore evidently that any grant in aid to be given from Govt for this work in case if the Municipal Council wants this Sanctioning post the entire Cost ought have to be borne by it

Dear Sir

In continuation of my appeal dated 4 35 the Municipal Councilwes kind enough to convert the then Dhobi Pond near Kukkere halli Tank Mysore into a swimming bath as suggested by me and now as I see and hear the present said swimming bath not only far of from the city area but want of a good and experienced swimming Instructor and the students etc, are not having the full advantage of the bath

You are aware Sir, that the Bangalore City Municpal Council at my humble request have made it possible for the residents of Bangalore City and Cand M station to learn this most valuable Art of Swimming and Life saving

It is needless for me to say that Swimming has been recognised all over the world as a very important art In view of the importance of this Art, several governments Local bodies like City Municipal Council and District Boards Scout Councils mostly generally philorthrapic public are spending large amounts of money in order to create great facilities for training the people in this Art of life from drowning

While every possible facilities are being given at the hands of the Municipalities and Scout Associations etc, at Bangalore one fails to see that the same kind of facilities are not afforded in a sister Municipality, That is Mysore City I learn from a very realiable information that the public of Mysore City are eager to learn swimming but are handicapped in not finding a suitable place and an instructor

It is quite possible to have this facility for learning swimming at Mysore if the present old low level reservior which is by the side of the Vice Roy road is made available for the said purpose The pond should be an ideal one And it is the convenient place for learning swimming

Mysore State being advanced one, in every walks of life from all points of view could easily meet the requirements for the construction of a swimming pond which in my humble opinion is a very essential one A pool on modern lines is a desirable one and it is hoped that authorities concerned with the civic improvements will do their best attention to this aspect of question which is an essential factor in ones life Life is precious as it is said and it is within the sphere of public institutions to come to the rescue of the needy and their by creating facilities for this branch of art, swimming

At my request here in Bangalore the City Municipal Council have built and converted the following as Swimming Pools

1 Halasuru Swimming Pond 1928
2 Municipal Swimming Pool 1940

Now I am attempting to have an artificial swimming pool to the southern zone of the city The Municipal Council was kind enough to sanction the requested amount of Rs 50,000 in this year budget For this kind and generous help, I will be always grateful to them

Hopping to see that necessary action will be taken in the matter at an early date

Bangalore

Dated 16 2 50

Sir,

Subject - Construction of Swimming Pools

With reference to your letter No L 9800-1/18-3-50 on the above subject, I have the honour to state that the Municipal Council are of opinion that a well-equipped swimming pool is no doubt a necessity for Mysore City But as the present financial position of the Municipality does not permit of heavy expenditure being incurred for the purpose, the Council are of opinion that the Govern ent be requested to arrange to place at the disposal of the Council, the existing pool at Jaganmohan Palace

In enclosing a copy of the resolution of the Council passed at a meeting held on 29-5-50, I request you kindly to obtain and communicate the orders of Government

Yours faithfully,

Municipal Commissioner

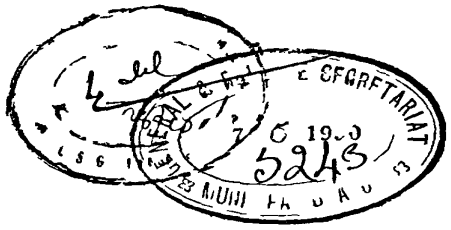
Dated 24th October 1950

The Municipal Commissioner,
Davangere City Municipality,
Davangere

To

The Secretary to Government,
Local-Self Government Department,
Bangalore.



Sir

Subject - Construction of a Swimming Pool in Davangere City at an estimated cost of Rs 65,000/-

With reference to your letter No L 9800-1 dated 18th March 1950 on the above subject in the matter of furnishing the views of the Municipal Council for the construction of a Swimming pool in Davangere City etc , I have the honour to state that the estimate for Rs 65,000/- furnished by the Engineer of this Municipality in this behalf was considered by the Municipal Council at its meeting held on 23-8-1950 and it was resolved unanimously that in view of the necessity to have a Swimming pool in Davangere City, the present estimate for Rs 65,000/- be sanctioned- the entire cost being met from the Municipality and the Government in equal shares, that Government be requested to bear the moiety of the estimated cost, and that as regards the place where the pool is to be located the Government Arthitect be requested to visit the place for selection of the site

A copy of the resolution of the Municipal Council is herein enclosed for favour of reference

I write to state that the Municipal share of cost amounting to Rs 32,500/- will be met from out of the provision made for this purpose under the head in the current year's sanctioned Budget of the Municipality As regards the balance cost, it is requested that Government be pleased to sanction the same

I request you therefore to obtain sanction of Government to the resolution of the Municipal Council

The estimate and plan are herein enclosed for favour of reference

Yours faithfully,

Subject Construction of a swimming pool at Davangere city at an estimated cost of Rs 65 000/

Sir

With Reference to the Correspondence ending with your letter No M C 77/50-8 dated 24 10 50 on the above subject, I am directed to state that the Chief Engineer of Mysore Town who was consulted in the matter has reported that

proposed
the capacity of the Barcomere pool
is 0.5 million gals which requires
replenishment at least once a week
~~As Secty~~ He helpful the considers that adding a
~~the addition of the~~ Brownemp
to
pool at the place where adequate supply
of water is most assured will be a
very great share on the existing
system of water supply. He is of the
opinion that the construction of Brownemp
pool may not therefore be considered immediate
necessity and may have to wait
the supply position of water in
the city improves.
